I. VLS and SLCDD entered into an Amended and Restated Agreement for Services and Collateral Assignment of Amenities Fees From Future Residences, made effective November 16, 2016 (the “Services Agreement”).

J. Section 3.C of the Services Agreement sets forth the rights and obligations of VLS and SLCDD with regards to the provision of golf tee time reservation services (collectively, “Reservation Services”), and Section 4.A of the Services Agreement sets forth the rights and obligations of VLS and SLCDD with regards to issuance and honoring of trail passes (“Trail Passes”).

K. At this time, the Parties wish to establish certainty, continuity, and a fair cost-sharing methodology in the provision of Reservation Services and issuance of Trail Passes, and so wish to enter into this Agreement.

NOW THEREFORE, in consideration of the mutual promises contained herein, and other good and valuable consideration, receipt of which is acknowledged, the Parties agree as follows:

1. Recitals. The Recitals set forth above are true and correct and are hereby incorporated herein, in full, by reference.

2. Term. The term of this Agreement (“Term”) shall commence on the Effective Date, and expire on September 30, 2031. Thereafter, the Term shall automatically renew for successive five (5) year periods until terminated by any Party with at least one hundred twenty (120) days written notice prior to the expiration of the Term, as extended. In addition, any Party may terminate this Agreement on 180 days’ notice by giving such notice at any time after September 30, 2026.

3. Reservation Services.

a. Provision of Reservation Services. VOC agrees to provide Reservation Services to all Parties and their customers and invitees. VOC shall provide Reservation Services in form and manner determined by VOC in its reasonable discretion to provide a first class and consistent user experience for customers of all golf facility owners; provided however, VOC shall at all times provide golfers with at least one option to reserve tee times without charge.

b. Reservation Services Fee. The Parties agree that the total annual fee payable to VOC for Reservation Services (the “Reservation Services Fee”) during the period between the Effective Date and September 30, 2022, is Two Hundred Twenty Thousand and 00/100 Dollars (\$220,000.00). Commencing on October 1, 2022, and on each anniversary of that date thereafter throughout the Term (each, a “Reservation Services Fee Adjustment Date”), the Reservation Services Fee shall increase by an amount equal to the cumulative change in Consumer Price Index, All Urban Consumers, during the twelve month period that is between three and fifteen months prior to the applicable Reservation Services Fee Adjustment Date. Notwithstanding the foregoing, the Parties agree that it is in the best interests of the Parties and their customers to continuously look for ways to improve the access to and ease of making tee times, and so from time to time the Parties may mutually agree in writing to make such improvements and increase the Reservation Services Fee accordingly. Prior to implementation of any such Reservation Services Fee increases, VOC shall deliver a proposal to all other Parties that outlines in reasonable detail the scope of improvements and any increase to the Reservation Services Fee. VLS, VOC, VLC, VLOC, VDC, and VDOC’s agreement to such improvements and Reservation Services Fee increases may be by email or other writing. VCCDD and SLCDD’s agreement to such improvements and Reservation Services Fee increases may be made expressly in writing, or by approval of their respective budgets containing such increases. If VOC proposes improvements and accompanying Reservation Services Fee increases, and one or more Parties rejects the same (each such Party, for the purposes of this paragraph, a “Dissenting Party”), then VOC may unilaterally elect to terminate, with respect to such Dissenting Parties, those portions of this Agreement pertaining to Reservation Services only upon not less than 90 days notice, and no further Reservation Services Fees shall be payable by the Dissenting Parties thereafter. For clarification, in the event VOC exercises such right of termination, those portions of this Agreement pertaining to Trail Pass Services shall survive and those portions of the Agreement pertaining to Reservation Services shall survive as modified except with respect to Dissenting Parties.

c. Reservation Proportionate Share; Payment. The Parties shall pay their Reservation Proportionate Share (defined below) of the Reservation Services Fee directly to VOC monthly and in arrears. Within fifteen (15) days after expiration of every calendar month during the Term, VOC shall deliver to the other Parties an invoice (“Invoice”) containing each Party’s Reservation Proportionate Share of the Reservation Services Fee. Each Party shall pay to VOC their Reservation Proportionate Share of the Reservation Services Fee as stated in the Invoice within fifteen (15) days of receipt of the Invoice. “Reservation Proportionate Share” shall mean a fraction with each Party’s numerator being the total number of tee times booked for all of that Party’s golf facilities within the applicable month, and the denominator being the total number of tee times booked across all of the Parties’ golf facilities during that same month.

4. Trail Pass Services.

a. Issuance; Trail Pass Charges. Each Party that owns executive golf facilities (each, an “Executive Owner” and collectively, the “Executive Owners”) designates VOC as its agent to issue to and charge their customers and invitees a fee for Trail Passes, which entitles holders to use their golf cart on executive golf courses without the payment of an additional per-use charge. All Executive Owners shall permit Trail Pass owners to use their golf carts on executive golf courses without requiring an additional per-use charge. In other words, Trail Passes shall have reciprocity and be useable on all executive golf facilities owned by Executive Owners. Executive Owners shall work together in good faith to establish a uniform charge for Trail Passes, together with annual increases thereto equal to the cumulative change in the Consumer Price Index for All Urban Consumers over the twelve-month period that is between three and fifteen months prior to the annual increase. For the avoidance of doubt, day-of play passes may be sold by an Executive Owner to allow a golfer who has not otherwise purchased a Trail Pass to bring a cart onto an executive course for a single round of golf. Such day-of-play passes are not Trail Passes for the purposes of this Agreement, and revenues therefrom shall be retained by the Executive Owner which sells the day-of-play pass.

b. Trail Pass Website. The Executive Owners agree that it is in the best interests of Executive Owner’s customers and invitees that a single point of sale exist for the sale of all Trail Passes. Accordingly, VOC shall develop, operate, and maintain an internet-based Trail Pass website where golfers can purchase Trail Passes (the “Site”). All purchase and sales of Trail Passes shall occur through the Site for the uniform charge established by the Parties, and no Party shall establish or maintain a second point of Trail Pass sale. Any third-party credit card processing charges shall be included in the Trail Pass charge and shall not be passed on as a surcharge to the customer. Notwithstanding the foregoing, VCCDD staff may assist customers with the purchase of Trail Passes at district managed facilities using the Site for credit card customers and may accept cash or check payable to VCCDD from customers who decline to use credit cards.

c. Trail Pass Services. “Trail Pass Services” as used herein shall mean all services provided by VOC to develop, operate, and maintain the Site, and provide the remittance services as described in Section 4.f below.

d. Trail Pass Fee. Executive Owners agree that the annual fee payable to VOC for Trail Pass Services (the “Trail Pass Services Fee”) during the period between the Effective Date and September 30, 2022, is Seven Thousand Two Hundred and 00/100 Dollars (\$7,200.00). Commencing on October 1, 2022, and on each anniversary of that date thereafter throughout the Term (each, a “Trail Pass Services Fee Adjustment Date”), the Trail Pass Services Fee shall increase by an amount equal to the cumulative change in Consumer Price Index, All Urban Consumers, during the twelve month period that is between three and fifteen months prior to the applicable Trail Pass Services Fee Adjustment Date. Notwithstanding the foregoing, the Executive Owners agree that it is in the best interests of the Executive Owners and their customers to continuously look for ways to improve access to and ease of purchasing Trail Passes, and so from time to time the Executive Owners may mutually agree in writing to make such improvements and

increase the Trail Pass Services Fee accordingly. Prior to implementation of any such Trail Pass Services Fee increases, VOC shall deliver a proposal to all Executive Owners that outlines in reasonable detail the scope of improvements and any increase to the Trail Pass Services Fee. Executive Owner's agreement to such improvements and Trail Pass Services Fee increases may be by email or other writing, or by approval of district budgets containing such increases. If VOC proposes improvements and accompanying Trail Pass Services Fee increases, and one or more Executive Owners rejects the same (each such Executive Owners, for the purposes of this paragraph, a "Dissenting Party"), then VOC may unilaterally elect to terminate, with respect to such Dissenting Parties, those portions of this Agreement pertaining to Trail Pass Services only upon not less than 90 days notice, and no further Trail Pass Services Fees shall be payable by the Dissenting Parties thereafter. For clarification, in the event VOC exercises such right of termination, those portions of this Agreement pertaining to Reservation Services shall survive and those portions of the Agreement to Trail Pass Services shall survive except with respect to Dissenting Parties.

e. Trail Pass Revenue. The total proceeds received by VOC through the Site or in cash and checks and in connection with the sale of Trail Passes together with the total proceeds received by VCCDD in cash and checks in connection with the sale of Trail Passes, net of all taxes and third-party credit card processing fees, and together with any interest earned thereon, is referred to as "Trail Pass Revenue". That portion of Trail Pass Revenue which is allocable to the applicable calendar month being analyzed pursuant to Section 4.f below is referred to as "Earned Trail Pass Revenue", and that portion of Trail Pass Revenue which is allocable to a future calendar month is referred to as "Unearned Trail Pass Revenue". For example, if VLS sells a twelve (12) month Trail Pass for \$120.00, then the Earned Trail Pass Revenue for that next month is \$10.00 and the Unearned Trail Pass Revenue is \$110.00, which shall become earned proportionally over the next eleven months.

f. Remittance. Within ten (10) days of the expiration of every month during the Term, VCCDD shall prepare and deliver to VOC and the Executive Owners a report (which report may be delivered by email) showing the total proceeds received by VCCDD in cash and checks in connection with the sale of Trail Passes and the amount of transaction fees payable to service providers (e.g., TSG) for transferring Trail Passes for the previous month. Within fifteen (15) days of the expiration of every month during the Term, VOC shall prepare and deliver to the Executive Owners a report (which report may be delivered by email) showing:

- (i) total Trail Pass Revenue received in the previous month;
- (ii) that portion of total Trail Pass Revenue which became Earned Trail Pass Revenue in the previous month;
- (iii) that portion of Trail Pass Revenue held by VOC which is Unearned Trail Pass Revenue;

(iv) the number of holes of golf played on each executive golf course using Trail Passes in the previous month; and

(v) the total Trail Pass Service Fee due and payable to VOC for the previous month (with the total Trail Pass Fee becoming due in equal monthly installments, in arrears).

“Net Earned Trail Pass Revenue” shall mean the total Earned Trail Pass Revenue less the total monthly Trail Pass Services Fee and less transaction fees payable to service providers (e.g., TSG) for transferring Trail Passes over the same month “Trail Pass Proportionate Share” shall mean a fraction, with each Executive Owner’s numerator being the total number of holes played by individuals using Trail Passes on that Executive Owner’s executive golf facilities within the applicable month, and the denominator being the total number of holes played by individuals using Trail Passes on all of the Executive Owners’ executive golf facilities during that same month. VOC shall remit to each Executive Owner their Trail Pass Proportionate Share of Net Earned Trail Pass Revenue simultaneously with the delivery of each report. The remittance to VCCDD shall be appropriately adjusted to account for Trail Pass Revenues received and retained by VCCDD as a result of cash or check receipts and to account for transaction fees paid to service providers (e.g., TSG) for transferring Trail Passes, to ensure that each Executive Owner receives the benefit of its Proportionate Share of Earned Trail Pass Revenue. All sales tax is the responsibility of the Executive Owners or VCCDD (with respect to payments received in cash or check by VCCDD) to remit to the State as required. The right to receive remittances shall survive the termination or expiration of this Agreement in connection with Trail Pass Revenues received prior to termination but which become Earned Trail Revenues after termination, and Trail Passes sold prior to any such termination or expiration shall be honored at all executive golf courses.

5. Inspection; Audit. Every Party to this Agreement shall have the authority to audit VOC’s records relating to Reservation Proportionate Share, Trail Pass Revenue (both earned and unearned), and Trail Pass Proportionate Share, at the auditing party’s expense and at reasonable times and with reasonable notice.

6. Ownership of Information. All information related to the Reservation Services, including but not limited to golfer’s names, addresses, ages, status, and times and places of play shall be owned by VOC, and be considered privileged and confidential. To the extent other parties to this Agreement use or obtain such information, such use shall be deemed under license, and the parties shall take all reasonable measures to maintain the confidentiality of such information, and to the extent ownership of any such information is deemed to have already vested in other parties to this Agreement, all such parties hereby assign and convey all of their right, title, interest, and ownership of same to VOC. VOC understands that disclosure of certain material by the VCCDD and/or SLCCDD may be required due to its status as a state governmental entity under Chapter 119, Florida Statutes. VCCDD and SLCCDD agree not to disclose information which is confidential and exempt pursuant to Chapter 119, Florida Statutes, and, further, to keep confidential all Trade

Secrets in accordance with Section 815.045. For the purposes of this paragraph, "Trade Secrets" means documents submitted by VOC which constitute trade secrets as defined in Section 812.081, Florida Statutes, or which are marked as confidential at the time of submission to the applicable district. The applicable district shall promptly notify VOC of any action or threatened action to require disclosure information which the District has withheld based on a determination that such information is confidential and exempt and/or a Trade Secret to enable VOC to monitor, and, if it so wishes, to the extent permitted by law, intervene to oppose such disclosure. Notwithstanding the foregoing, in the event that this Agreement expires or is sooner terminated, Reservation Services are terminated, or Trail Pass Services are terminated, each golf course owner shall be entitled to receive from VOC, and to keep and use for operating its golf courses, an electronic copy of the information related to golf tee time reservations and trail passes which are applicable to the golf courses which it owns.

7. Effect on Services Agreement. By executing this Agreement, VLS and SLRDD hereby amend the Services Agreement to delete Sections 3.C and 4.A of the Services Agreement in their entirety, it being their intent that this Agreement now fully govern their rights and responsibilities with regards to the provision of Reservation Services and issuance of Trail Passes.

8 Insurance. VOC shall procure and maintain reasonable amounts of insurance, including cyber liability insurance, to protect it and the indemnified parties below from claims resulting from its performance of Reservation Services.

9. Indemnification. VOC shall indemnify and hold the other parties to this Agreement harmless from losses, damages, costs, claims and expenses of any nature, including attorneys' fees at all levels to the extent resulting from the negligence and intentionally wrongful acts occurring in the performance of Reservation Services. Each of the parties to this Agreement shall, to the fullest extent permitted under applicable law, indemnify and hold the other parties harmless from all losses, damages, costs, claims and expenses of any nature, including attorneys' fees at all levels, resulting from events occurring on that party's golf facilities.
