With the Town of Lady Lake's growing population and nationwide difficulty in police staffing and recruiting, the role of Police Chief presents unique challenges and demands.

After four years of service as Police Chief and much consideration, I, Robert Tempesta, have come to the difficult conclusion that I would best serve the town in the role of lieutenant. This was not a decision I made lightly; however, I believe it is the right decision for myself and for the Lady Lake Police Department.

I have enjoyed serving as Chief and am proud of the accomplishments we have achieved together. I would like to thank the Town Manager, the Commission, and the community for their support.

I look forward to continuing to serve as a member of the department in my new role, and supporting the initiatives set forth by new leadership.

Robert Tempesta
